 4   WELCOME TO BLUE-SKY AIRLINES!CRLF
 5   Where we are dedicated to suckering you out of your money!CRLF
 6   ----------------------------------------------CRLF
 7   This is a simulation program that provides some flexibility withCRLF
 8   adjusting the link list and minor management tools.  With this program,CRLF
 9   it is possible to generate a reasonable size customer list and performCRLF
10   maintenance as needed.  Such maintenance could be removing a customer,CRLF
11   updating the customer's information, update reservations, change seats,CRLF
12   and even revise customer's in-flight meals!  Use the menu to navigateCRLF
13   through this program and try to crash it!  I dare you!CRLF
14   Looks like I picked the wrong week to quit sniffing glue. -Steve McCroskeyCRLF
